Key Takeaways

1

Growth with better margins

Technology recorded \$ 836.15 K in sales growth and \$ 145.15 K in profit growth.

2

Plan for the Q4 peak

Sep–Dec generates 52% of annual sales.

3

High discounts cause massive losses

Tables, Bookcases and Supplies lost \$22.4K combined.

4

Lift Central region margin

Central earns 7.9%, versus 14.9% in the West.

Recommendations

1

Providing a maximum discount limit of 15%-20% for tables and bookcases.

2

Review of promotional discounts in the central region.
